EIR embossing

A photograph of a wooden floor with a herringbone pattern. In the foreground, a pair of black leather loafers is placed next to a magazine titled 'KINFOLK'. The magazine cover features a portrait of a young man in a white shirt. The background shows a dark wooden cabinet and a light-colored wall.

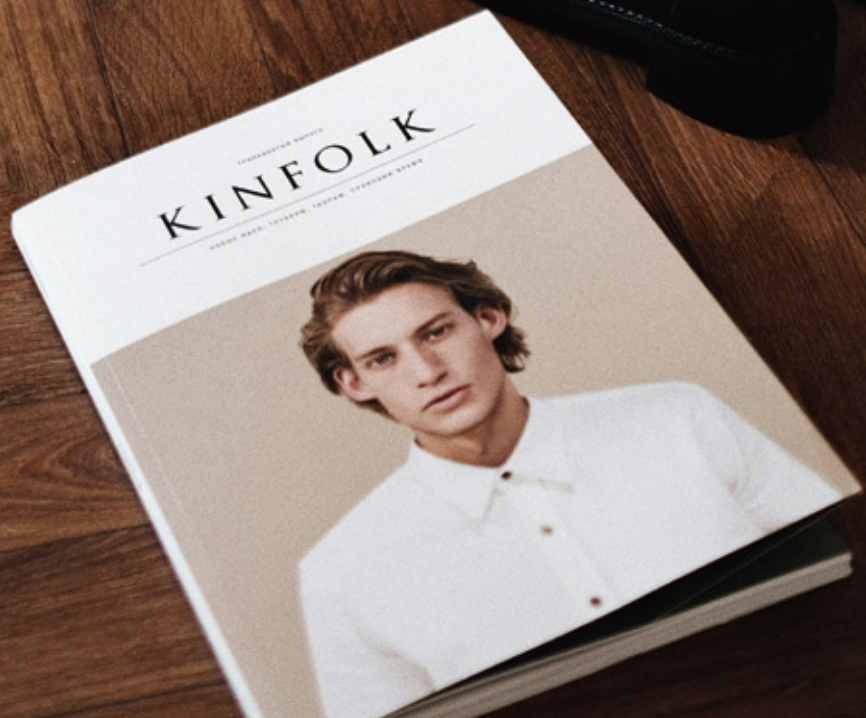

THERE'S ONE FOR YOUR SPACE SOUL

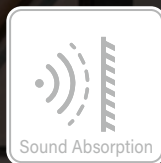

HUMAN SETTLEMENT AESTHETICS, SYMBIOSIS WITH NATURE

From Nordic minimalist light grey oak to wabi-Sabi cement, the floor is a dictionary of space aesthetics with 200+ colors. 0.5mm super wear-resistant layer to resist scratches in life, the surface UV coating makes the south-facing living room fade without fear of ten years of sunshine.

The latch-mounted 24-hour rejuvenating floor, barefoot feel the gentle rebound of the highly elastic bottom - using technology to let the beauty of nature across time, so that the home becomes an eternal poetic dwelling place.

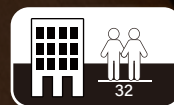

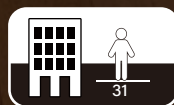

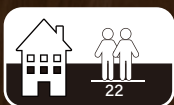

From Nordic minimalist light grey oak to wabi-Sabi cement, the floor is a dictionary of space aesthetics with 200+ colors. 0.5mm super wear-resistant layer to resist scratches in life, the surface UV coating makes the south-facing living room fade without fear of ten years of sunshine.

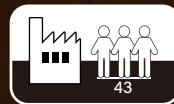

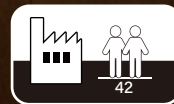

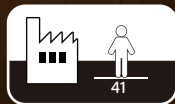

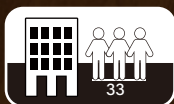

FLOOR TECHNICAL PARAMETERS

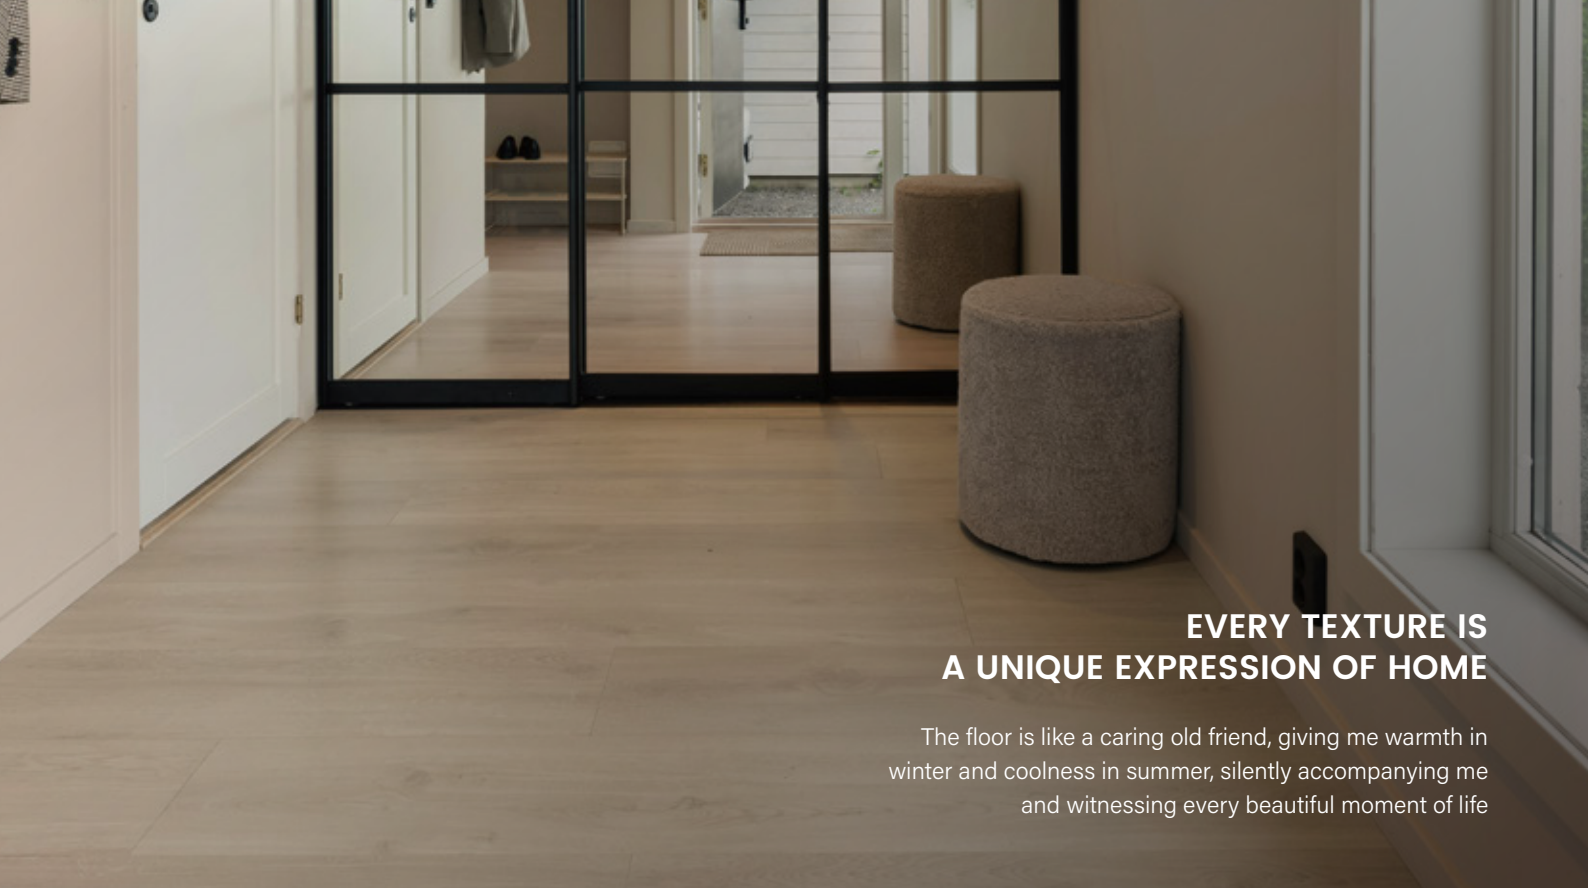

Main Material	Stone powder/Calcium Carbonate+PVC Resin	
Surface treatment	UV	
Underlayer	EVA/IXPE	
Click type	unilin/valinge	
Discription	Test Standard	
Total thickness	EN 428 ISO24346	(+0.13mm/-0.10mm)
Wear layer	EN 429 ISO24340	+13%/-10%
Dimensional stability	EN 434 /ISO23999	≤ 0.25%
Curling	EN 434 /ISO23999	≤ 2mm
Slip resistance	DIN 51130 /EN 13893	DS ≥ 0.3
Wear resistance	EN660-2	P
Fire resistance	EN13501 / ISO9239-1	Bfl -s1
Residual indentation	EN 433 / ISO24343-1	≤ 0.10mm
color fastness	ISO105-B02	6 Grade
Thermal conductivity	EN 12524	0.141 W/(m.k)
Thermal resistance	EN12667	0.029(m2.k)/W
Toxicity	EN 71	Not toxic
Formaldehyde emission	EN 717-1	E1...≤ 0.124mg/m3
Chemical resistance	EN 423 / ISO26987	OK
Resistance to burning cigarette	EN1399 / EN438-2	Class 3
Resistance to staining	EN423 ISO 26987:2012	Index 0: Not affected

Applicable environment	Light home use	Moderate home use	Severe home use	Light commercial use	Moderate commercial use
Grade	21	22	23	31	32
Thickness of wear layer	0.15mm	0.20mm	0.30mm	0.30mm	0.40mm

Applicable environment	Severe commercial use	Super severe commercial use	Light industrial use	Moderate industrial use	Severe industrial use
Grade	33	34	41	42	43
Thickness of wear layer	0.55mm	0.7mm	0.40mm	0.55mm	0.70mm

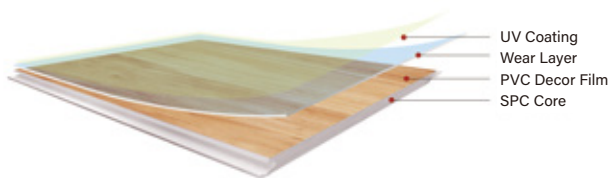

EVERY TEXTURE IS A UNIQUE EXPRESSION OF HOME

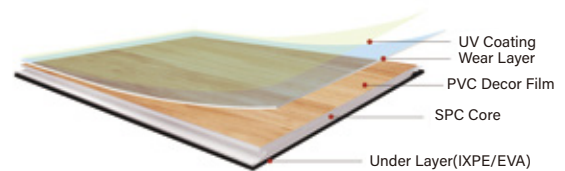

The floor is like a caring old friend, giving me warmth in winter and coolness in summer, silently accompanying me and witnessing every beautiful moment of life

NATURAL WOOD LANGUAGE SERIES

Embrace the Essence of Nature Beneath Your Feet

Our "Nature's Wood Whisper Series" flooring is a perfect blend of art and nature. Crafted with precision, it replicates the authentic texture of wood. Each plank tells a story, bringing the serene beauty of forests indoors. With excellent durability and easy maintenance, it transforms any space into a warm, natural haven. Ideal for those seeking a touch of rustic charm.

WOOD GRAIN

Relying on advanced technology and innovative design, we constantly develop and research new generation of high-level products and aim to be one of the biggest building decoration material manufacturer in China.

HERRINGBONE HORIZON SERIES

Unveiling the Metropolis' Rugged Beauty Underfoot

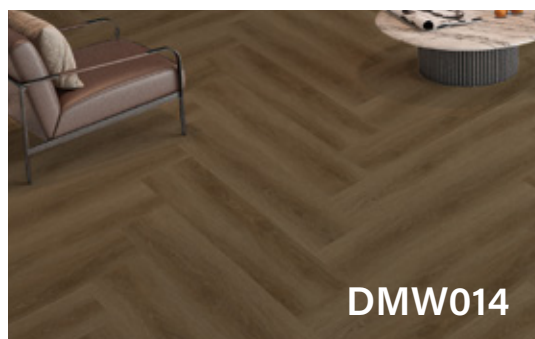

The breath of home then acquires a rhythm. The unique lock system enables seamless assembly without the need for glue, allowing for free extension on balconies and kitchens. The low-saturation gray-brown tone blurs the spatial boundaries and can also expand the visual depth. Certified with a soundproof layer, it is silent when you walk barefoot and worry-free when children roll around.

SYNCHRONIZE THE FLORAL FLOOR

What is seen is what is touched;
it remains as good as new over time

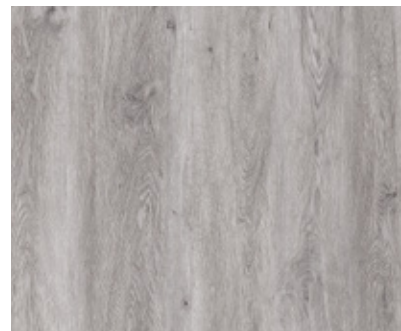

The concavity and convexity of the texture are precisely synchronized with the pattern, presenting a visually realistic look like natural wood/stone. The foot feel is real and comfortable, and the touch is three-dimensional. The wear-resistant layer covers the textured grooves, providing a long service life against scratches. Dust does not accumulate and is easy to clean. Easily achieve the high-end spatial texture.
